

Fairy Tale/Fable Themes

Be a good friend and you'll have good friends.	Appearances can be deceiving.
Hard work pays off.	You should forgive even though you may not forget.
Good triumphs (beats) over evil.	Deception and lying will catch up to you.
Honest is the best policy.	You are judged by the company (or friends) you keep.
Those who are greedy and want everything may end up with nothing.	Breaking your promises or not following the rules can lead to problems.
Actions are more important than words.	Don't underestimate the ability of others.
There are two sides to every story.	Do the right thing, even if it is hard to do.
Even the strongest/biggest can use the help of the weakest/smallest.	Selfishness will bring you misery.
